

DR PETER WHITNEY DAVIES

Dr Peter Whitney Davies, General Practitioner. Born 10th November 1929. Qualified Liverpool 1955. Died 17th May 2021.

Peter Davies was born in Liverpool and qualified from Liverpool Medical School in 1955.

After completing house officer posts at Walton Hospital, he became a partner in general practice in Netherton in 1963. At the time the practice list consisted of 3,600 patients shared between two partners and no employees apart from a caretaker who took messages. Peter became a senior partner in 1978 and on his retirement in 1990, the practice had grown considerably and had 10,300 patients shared by five partners, full staff attachments and a number of ancillary staff.

Peter had a close working relationship with the community, medical and nursing staff and the psychiatric social workers and community psychiatric nurses and specialist clinics in psychiatry and obstetrics, amongst others, were held at the practice.

Throughout his career he sat on many committees such as Bootle and Sefton LMC, the Post-Graduate Advisory Panel, Regional Trainer Selection Committee, Sefton FPC and Mersey Regional Medical Audit Committee, which continued in his retirement.

Peter was an avid reader and had a long and happy retirement following his many interests.

Peter is survived by Mair, his wife of 63 years and their son, Paul.
